

MOMENTS  
& LENS

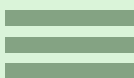

# Moments & Lens

We do family, lifestyle, portraits, and newborn photography. It all started as a hobby of taking pictures for friends and family and later grew into a small business.

# MOMENTS & LENS

Moments & Lens is a family-oriented photography company, run by Samir Chaulagain. Samir's passion for photography began with his own family and he's excited to bring the same level of care to families in Orleans and Rockland.

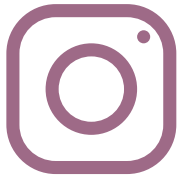

Moments & Lens is equipped to shoot personal and family portraits both outdoors and indoors. They are able to deliver prints of any size, up to and including 40 x 60 inches, and can rent gear to produce larger prints upon request.
